Directions

Towards London by mainline train to Hayes & Harlington:

GWR services from the West Country via Reading
Heathrow Connect services from Heathrow

From London by mainline train to Hayes & Harlington:

GWR & Heathrow Connect services from London Paddington

By Foot from Hayes & Harlington mainline station:

On leaving Hayes & Harlington station, turn right and head towards the High Street. After crossing the canal bridge turn right into Crown Close then follow the road round to the left, where immediately on the right hand side you will see a tunnel under the block of flats which will lead from Crown Close to Silverdale Road. Follow Silverdale Road to the left then around to the right. After the entrance to the small industrial estate on the right hand side (just after road restriction bollards) turn right and follow the road round, where Lee Warrens factory and offices will be visible on the right hand side.

By Road:

From either Junction 3 of the M4 (Northbound towards the A40), or the Target roundabout on the A40 (Southbound towards the M4), follow the signs for the A312 onto 'The Parkway' (Hayes Bypass). Leave 'The Parkway' (Hayes Bypass) at the signs for Pump Lane Industrial Estate, turn left into Silverdale Road. Follow Silverdale Road to the end where Lee Warren will be found on the left hand side.
